

You want to do a school or university trip in Madrid and you are looking for an accommodation?

Did you think about the Youth Hostels?

Too often the school and university groups are disappointed because of the bad quality of the youth hostels: dirtiness, noise...whereas the most comfortable suggest prices too expensive or there is a lack of friendliness.

With the **Albergue Juvenil de Madrid**, you will change your mind about the youth hostels!

Our structure mixes the comfort, the cheap prices and the good atmosphere. Since its creation in 2007, the youth hostel received 8 rewards for its exemplary cleanliness (Cleanest Hostel 2008), its warm and bilingual personal (Best Staff 2008) and for the general quality of the building (Top location, Top rated Gomio y Hostelword).

On the other hand, the **Albergue Juvenil de Madrid** is a professional of the organization to welcome groups. We invite you to make the most of the services in free access and included in the Price such as free internet, breakfast, lockers in the room, sheets, the billiard and games, a home cinema free and a gymnasium with exercise bike. Moreover, a social coordinator suggest you everyday different activities to discover the Spanish culture. Our youth hostel is a spacious building which is composed of 25 bedrooms with 4 or 6 beds. We suggest a service of catering directed by the better professional of the restauration of Madrid for the group over 25 persons. The price of the catering is only of 6,42€ per person for the lunch and 5,35€ per person for the dinner. We offer an optional service of towel and laundry.

The priorities of the youth hostel are the humans' values and the exchanges, that's why the personal at the reception is at your disposal to answer to the questions of the customers or for any touristic information.

And all those services for just:

18,92€ per person less than 25 years old
